

Dear Scout parent,

We hope you and your child are having a blast in Scouting and that you can't wait for the adventure to continue this fall. As a Scout, your child will learn valuable life skills and build confidence and character, all while positively impacting the community and making lifelong friends. Scouting teaches those positive core values that we cherish all while having fun.

Now we need your help spreading this rewarding experience to other parents in your community to help Scouts be stronger than ever! Help to spread the good things that your local Scouts are doing.

Did you know?

- Last year alone, local Scouts officially recorded **209,191 service hours on community service projects** for local communities here in Southwest Ohio and Northern Kentucky.
- Former Scouts are 55% more likely than non-Scouts to have held a **leadership** position at their workplace and 76% more likely than non-Scouts to have held a leadership position in their local community.
- And Scouts are 53% more likely than non-Scouts to have **provided service** to others and to the community and **demonstrated leadership** traits.

How can you help?

- First, take a moment to fill out the cards below with your child **and give them to friends and family** to invite them to join the Scouting adventure.
- Next, **mark your calendar** for fun events your child can experience like Spook-a-ree, Cub-o-ree and a Cincinnati Reds game, all outlined on the next page.
- Finally, see the last page for details about how your family can **win cool prizes** just by sharing your Scout spirit!

Sign-up days are August 28–September 7, so start spreading the word! And, for the first time ever, girls will have the opportunity to join Cub Scouts in the Packs that offer that opportunity.
