About #ScoutSHARE

#ScoutSHARE is all about sharing the story and impact of Scouting across the community and we need your help. The most powerful way to grow your child's unit or to grow the Scouting program is a parent talking to another parent about the value of Scouting, or a Scout inviting one of their friends to join them for the fun and adventure.

#ScoutSHARE Contest

Sharing the adventures you have with your Scout on Facebook, Twitter or Instagram using #ScoutSHARE from August 1–September 13 will spread the word and qualify you to win special prizes including gift cards to Kroger, Amazon, Target, movies, and more!

WINNERS WILL BE DRAWN ON MONDAY DURING THE WEEKS OF:

August 5, 12, 19, 26, (Bonus on September 3), and September 9

WHY #SCOUTSHARE AND WHY SHOULD YOU INVITE OTHERS TO JOIN IN THE ADVENTURE OF SCOUTING WITH YOU?

-- Your child will be able to do Scouting with more of their friends

-- More Scouts means more parents to help lead Scouting programs

-- More Scouts will receive the values of Scouting along with the fun and excitement
